Fee paying parents

Fees must be paid in full, in advance each month. We regret that we cannot offer a reduction in fees if your child is absent or on holiday. A holiday arrangement will be discussed with parents of children who are with us all year round, offering two weeks each academic year at 50%. This is providing the required one months' notice has been given. Invoices for fees will be ready two weeks before they are due and must be paid by the first of the month. **We have a late payment charge of £5 a day for outstanding fees.** Any problems, please ask to speak to the manager, Danielle Morgan. Any non-payment of fees will mean your child will only be able to access their funded place. One months' notice by email, must be given if you wish to remove your child from nursery or for any changes to requested hours, for fee paying or funded children.

Funded Places

We are registered for the Free Early Education Funding for two-, three- and four-year-olds and the extended 30 hours funding (some must be taken in the 3pm – 6pm sessions). We are also able to accept Childcare vouchers and registered for Tax-Free Childcare.

Children eligible to claim up to 15/30 hours (Term-time) or 12/24 (stretched) free early education will have these hours shown on their invoice as a zero balance. Any other fees will be shown separately on the invoice.

Extra Charges

If parents consistently do not supply nappies or their own sun cream, we will make a monthly charge of £5 for our sun cream and a charge of 50p per nappy.

We have a late collection charge of £5 for any child being collected up to 15mins after their pickup time. This will be at the discretion of the owner and depending on contact from parent. For any child picked up after this, there will be an additional charge of £25. If no communication from parents, we will then follow our policy and procedure for non-collection and contact the appropriate authorities.

Any changes which affect invoices after they have been processed and sent out, will incur a £5 admin charge.
